What can we learn and share together

- 1) Share experiences of worship and evangelism; special prayer days which could be via zoom
- 2) Pulpit exchange recognizing the priesthood of all believers; sharing worship ideas with all ages; interaction at local and District levels.
- 3) Learn and share via conferencing, policy formulation on social justice, safeguarding, equality, gender, climate change.
- 4) Community exchange; skills to enrich and engage in local projects; explore ways of life in both contexts.
- 5) Leadership development; empowering vulnerable groups, eg women, young people.
- 6) Health issues such as the impact of malaria and cholera has on communities; impact of covid-19; rebuilding lives in the aftermath of the pandemic; rehabilitation
- 7) The importance of personal discipleship; sharing of testimony
- 8) To be an outward looking community of witness as we reflect on our relationship with the wider world and creation.
- 9) Equality, diversity and inclusion; racism, sexism. (which is high on the agenda at the moment
- 10) God's justice at the center of our concern for God's word
- 11) How to enlarge and enrich our experience of God

The following connections were evident in what had been shared so far:

- 1) Worship, prayer, testimony
- 2) Equality, gender, social justice
- 3) Climate change
- 4) Personal and community development
